**Song:** If Only Tears Could Bring You Back

How will I start tomorrow without you here?

Whose heart will guide me?

When all the answers

Disappear...

Is it too late?

Are you too far gone to **stay**?

Best friends **forever...**

Should never **have to go away**

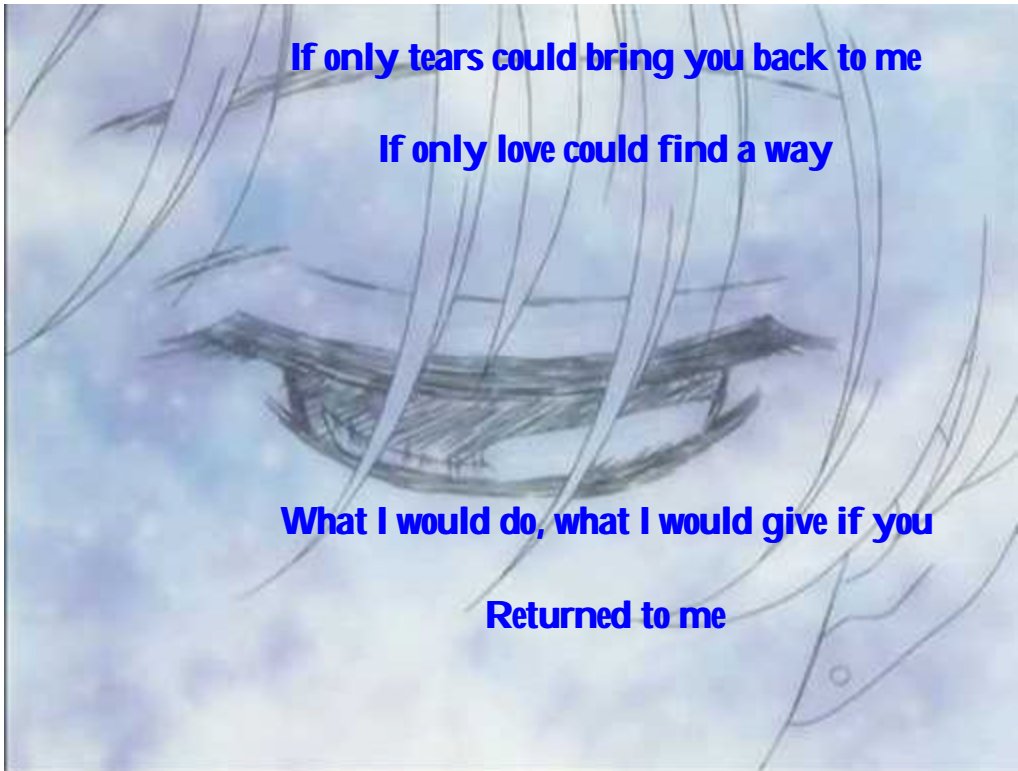

What will I do?

You know I'm only half without you

How will I make it through?

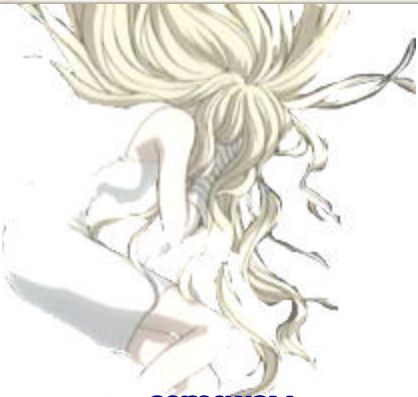

If only tears could bring you back to me

If only love could find a way

What I would do, what I would give if you

Returned to me

somehow

someday,

someway

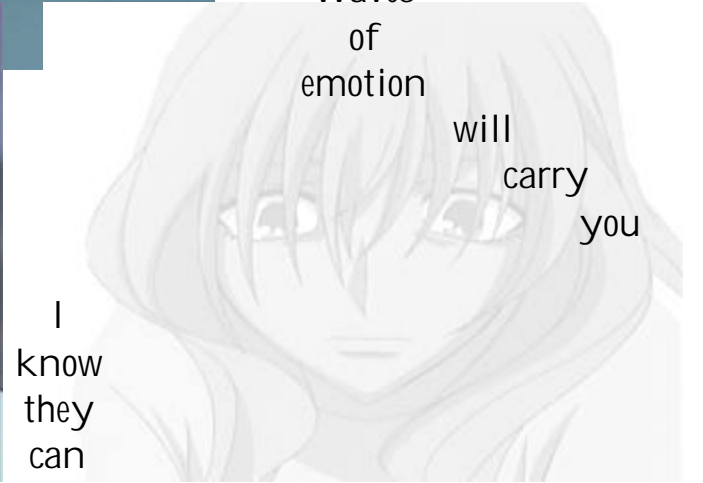

If my  
tears could  
bring you  
back to  
me.

I'd cry you an ocean

if you'd sail on home again

Waves  
of  
emotion

will  
carry  
you

I  
know  
they  
can

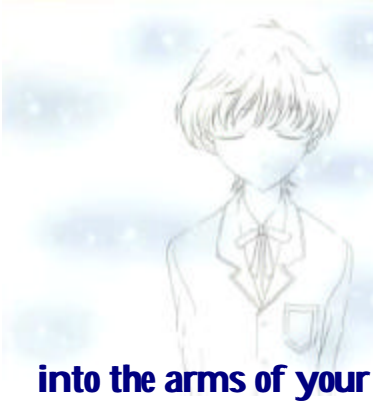

Just  
let  
love  
guide  
you  
and

**your heart**

will chart the course

Soon you'll be drifting

**into the arms of your true North.**

Look in my eyes,

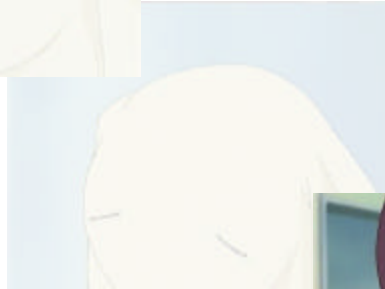

you'll see

a million tears have

gone by...

And still

they're not dry...

If only tears could **bring you back to me**

If only love could find a way

What I would do,

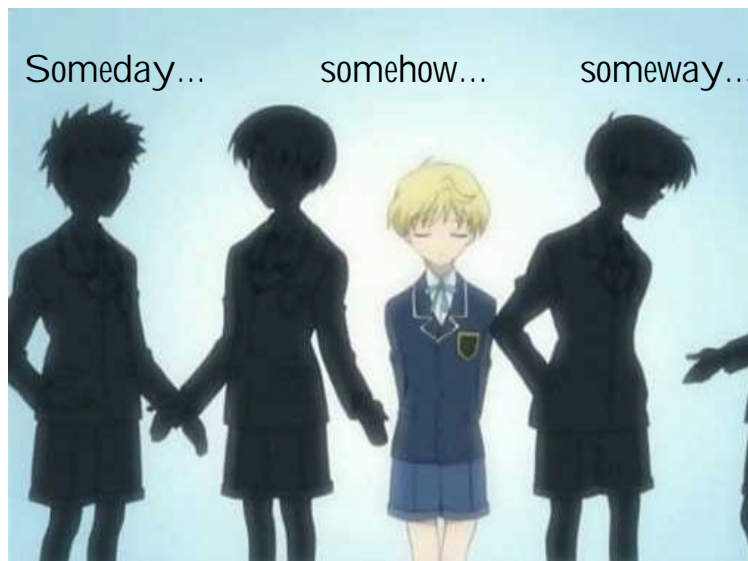

what I would give

if you returned to me

Someday...

somehow...

someway...

If my tears could

bring you back

to me.

I'd hold you close

and shout  
the words

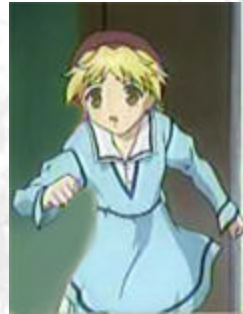

I've only whispered before

For **one** more chance

for one last glance

There's not a thing  
that I would not  
endure.

If only tears could bring you back to me  
If only love could find a way!  
What I would do,

What I would give if you returned to me  
someday,  
somehow,  
someway

If my tears could bring you back to me.
